Select Greens Exports NAVEL ORANGE DATA SHEET

Product Overview

Select Greens is a leading Egyptian exporter of fresh and frozen fruits and vegetables, proudly supplying global markets. Our Egyptian Navel Oranges are a popular variety known for their sweet flavor, seedless, easy-to-peel skin with high juice content, making them ideal for fresh eating.

Navel Orange

Large, round, with a bump at the stem end.
Thick and loose skin, easy to peel. Tangy and refreshing.
Without seeds.
Sweet, with less tang than a Valencia orange.
Great for eating raw as a snack or adding to salads.
